“ċalisələm” (TFN Community Farm) UPDATE

On April 22nd, Farm Staff successfully completed the Earth Day Event. We want to thank all the Members and their families for coming out to share a meal, learn about future initiatives and take-home seedlings to get their gardens started! What a beautiful evening we had to celebrate the land we live on!

COMMUNITY GARDEN

On Monday, May 13th at 10am, Farm staff will be at the community garden with seedlings to either take home or to plant in one of the beds at the community garden outside the administration building.

TO SECURE YOUR BED BY MAY 8TH, please contact Nikki Lorenz at nlorenz@tsawwassenfirstnation.com or 604-619-3062.

We will have seedlings such as wildflowers, potatoes, onions, tomatoes and more!

Traditional Harvesting

Berries, an important part of our traditional knowledge. We were shown when the berries were ripe by listening and observing the changes in the animals and plants. The song of Swainson's thrush heralded the ripening of salmonberries for our people.

SFU

hə́ŋqəmíhəm Certificate in Indigenous Language Proficiency 2024-25 Cohort

Are you interested in learning to speak hə́ŋqəmíhəm?

Do you want to enhance your language skills for personal or professional objectives? Whether your knowledge of hə́ŋqəmíhəm is beginning or advanced, you are welcome to participate in this program. This full-time program is for people who wish to acquire fluency and literacy in hə́ŋqəmíhəm, while also learning technical and other skills needed for becoming language/culture instructors, language revitalizers, language researchers, and materials developers. The two-term certificate program is followed by a one-year diploma program, and all credits can be applied to a BA degree with minors in Indigenous Languages and Linguistics.

Our language courses make use of immersion methods and story work to help make language learning fun. Our team of instructors guide you through pronunciation, word architecture, and sentence building to deepen your understanding of the language. Traditional, cultural values are honored in our practices and course content, and we invite you to see our materials at: <https://xwulmuxw.ca/>

SFU

WHEN ARE CLASSES HELD? September 2024 -- August 2025

Classes are scheduled between 9am–3pm Monday to Thursday.

WHERE? Tsawwassen First Nation is the host of this program. Courses will be 80% online and 20% in person at TFN.

The program consists of many hours of time together – speaking and using hə́ńqəmińhə́m, plus guided study of web materials and group & individual projects.

Applications for admission to this program are now being accepted.

The deadline for most First Nations post-secondary funding applications for 2024-5 is now. We therefore ask you to please contact us to discuss your funding situation.

Media Release

Reconciliation and Treaty Implementation in action: Tsawwassen First Nation adds lands to Tsawwassen jurisdiction

April 25, 2024

Tsawwassen, BC – Tsawwassen First Nation (TFN) is in the process of incorporating 11 parcels of lands contiguous with the Treaty settlement boundary, to Tsawwassen jurisdiction.

The incorporation of these lands demonstrates how treaty implementation can be an effective means of reconciliation. The Tsawwassen First Nation Final Agreement, signed by TFN, the Government of Canada, and the Province of BC, and effective April 3, 2009, sets out the process for TFN to acquire and incorporate specified lands near Brunswick Point, that were historically governed by TFN prior to colonization. Brunswick Point is deeply rooted in the history, culture and heritage of the Tsawwassen First Nation and continues to connect the Tsawwassen Peoples to our ancestors, stories, lands, and waters that sustain our community and life.

The 11 parcels are owned by TFN and are currently under the jurisdiction of the City of Delta and within the Agriculture Land Reserve (ALR). While the jurisdiction of the parcels will change to TFN after the incorporation, the lands will remain in the ALR. Agriculture is culturally linked to TFN, as is the importance of access to local foods.

Tsawwassen First Nation is working with the lessees of the parcels and looks forward to establishing long term relationships, rooted in shared values around food security and sustainability. Discussions are underway to ensure servicing is unhindered and unchanged by the transition by working closely with the City of Delta. Following the incorporation of the parcels to Tsawwassen Lands, TFN will assume jurisdiction, including property taxation, laws, and regulations.

“The Tsawwassen People have lived and governed these lands since time immemorial. As šxʷkʷecxənəm, which in our language means “lookout” or stewards, it is very important for the Nation to provide stewardship of these lands, to exercise our established Treaty rights, and to maintain our connection to the Land and culture, which is at the heart of who we are.” said Chief sxʷamisaat Laura Cassidy.

Administration Office: 1926 Tsawwassen Drive, Tsawwassen, British Columbia V4M 4G2
Tel: (604) 943-2112 • Fax: (604) 943-9226 Website: tsawwassenfirstnation.com

Government Submissions

“Brunswick Point lands play a significant role in the Tsawwassen First Nation's history, culture, and heritage. We are committed to reconciliation and will continue to foster and collaborate with Tsawwassen First Nation to support this important milestone. We believe that through respectful cooperation, we can ensure a smooth transition for residents and strengthen our relationship with the Tsawwassen First Nation,” said Mayor George Harvie, City of Delta.

To incorporate the lands, Tsawwassen First Nation is closely collaborating with TFN's Treaty Partners, Canada, and BC. TFN will also work closely with regional stakeholders through this process, including the City of Delta and Metro Vancouver.

Notice of Work

Tsawwassen Foreshore Fieldwork: MAY – JULY 2024

Field work for the Coastal Flood Risk Adaptation Strategy feasibility study will be taking place over the next several months. This work will include assessments of the breakwater and sea dikes, plant and environmental surveys as well as Geotechnical testing. Geotechnical testing will occur on Tsawwassen Lands north of Deltaport Way and on TFN owned property along River Road.

This field work will inform the writing of a report that will be used to help guide the community in deciding what Coastal Flood Risk Adaptation Strategy TFN should follow to mitigate the risk from sea level rise caused by climate change.

**ALL fieldwork will take place during regular office hours;
Monday to Friday between 8:30 AM and 4:30 PM.**

Thank you for your cooperation.
TFN Municipal Infrastructure Department

scəwəθən məsteyəx^w
 TSAWVASSEN FIRST NATION

Dear TFN members and residents:

This is a reminder that Stage 1 watering restrictions will be in effect from May 1 until October 15, 2024 as outlined in Metro Vancouver's Drinking Water Conservation Plan.

<https://metrovancover.org/services/water/Documents/drinking-water-conservation-plan.pdf>

Stage 1 comes into effect automatically each year to manage the use of drinking water during periods of high demand, water shortages, and emergencies.

Reducing lawn watering remains the most effective way to ensure we are using our drinking water wisely during the summer months when demand is highest and rainfall is lowest. One morning per week provides adequate watering time to maintain a healthy lawn and achieve further water use reductions. Watering trees, shrubs and flowers is permitted any day of the week.

Successful conservation across the region will help us to continue to deliver drinking water to the increasing number of people who call Metro Vancouver home. Additionally, sustainable lawn care and landscaping practices can help residents prepare for changing weather patterns, to continue to enjoy their green spaces.

	RESIDENTIAL LAWNS	TREES SHRUBS, FLOWERS	VEGETABLE GARDENS
STAGE 1 May 1 – Oct 15	EVEN ADDRESS Saturday ODD ADDRESS Sunday AUTOMATIC WATERING 5am – 7am MANUAL WATERING 6am – 9am	HAND WATERING SOAKER HOSE or DRIP IRRIGATION Anytime	SPRINKLERS Any day 5am – 9am Anytime
STAGE 2	LAWN WATERING PROHIBITED	HAND WATERING SOAKER HOSE or DRIP IRRIGATION Anytime	SPRINKLERS Any day 5am – 9am Anytime
STAGE 3	LAWN WATERING PROHIBITED	SPRINKLERS AND SOAKER HOSES PROHIBITED HAND WATERING or DRIP IRRIGATION Anytime	Anytime

All activities prohibited in emergency Stage 4

Government Submissions

Stage 1 Restrictions

User	Water Use	Restriction
RESIDENTIAL	Watering lawns	Even-numbered civic addresses on Saturdays: - Automatic watering from 5 am to 7 am - Manual watering from 6 am to 9 am Odd-numbered civic addresses on Sundays: - Automatic watering from 5 am to 7 am - Manual watering from 6 am to 9 am

“ Hi there!
I’m Dr. Shelly
Eckland Jetzer.

I want to acknowledge that I work and live on the traditional and unceded territory of the Musqueam First Peoples and as well, acknowledge that most of my work takes place on the traditional lands of the Tsawwassen First Nations People. I am thankful for the continued opportunity to work, live and play on these lands.

I am a Family Physician. Prior to Medical School, I was a Registered Nurse and practiced for about 6 years before starting medical school in 2003. I graduated from UBC Family Practice in 2010. I initially started working in Richmond, in 2010, and then moved my family practice out to Ladner in 2015. Since then, I have continued to work in Ladner and Tsawwassen. I am now practicing at South Delta Family Practice in the Harvest Drive Medical Building across from Delta Hospital.

I have always been a Full-Service Family Practice physician (caring for all ages of people at all stages of their lives). The thing I love most about being a Family Physician is seeing people and their families. I love knowing about the whole family and getting to know people over time. I love celebrating the joys that life can bring and being there to support people during the sad times in their lives. I am continually learning and developing. I am always trying to practice from a culturally sensitive and trauma-informed perspective.

Other than being in the office, I have worked in the hospital setting. I have provided maternity care and delivered babies at Richmond Hospital (but I no longer deliver babies now). I have worked as a Surgical Assistant in the operating rooms of Richmond, Surrey and Delta Hospitals, and I still do some of this work. I am part of the Delta Divisions of Family Practice, Doctors of BC and BC Family Doctors. I participate in leadership roles to help voice family physicians’ concerns in the pursuit of better health care for people and communities.

Outside of Medicine, I love to spend time with my family. However, my 2 boys are getting older (17 and 21) and now spending more time with their friends and less time with me. That is life. But, I do have a very energetic chocolate lab who keeps me out walking and in the dog park! I like to cook and bake when I have the time. And, I have done some travelling as I do like to see other parts of the world. I find travelling and seeing other places gives one a different life perspective.

So, that is me. I would welcome the opportunity to work with and care for people of the Tsawwassen First Nation.

HEALTH RESOURCES & CONSIDERATIONS

● NP Clinic on Lands

Members can contact Hiral (604 908 3015) to book in with the NP or can reach out to FRAFCA (604 283 3293) appointments

● Walk-in Clinics

One can quickly check the availability of walk-in clinics in their area by visiting the “medimap” website.

● Urgent Care Centre in Richmond or Surrey

Urgent care centers are a great alternative to emergency rooms at the hospital. They are always staffed with various healthcare professionals and can administer the same diagnosis and interventions as an ER Doctor.

● FNHA Virtual Doctor of the Day

Call 1-855-344-3800 to book an appointment. The Medical Office Assistants are available to help you seven days per week from 8:30 a.m. to 4:00 p.m. Call 811- The helpline will allow you to speak with a registered nurse, dietitian, or pharmacist or find a health resource near your home.

● 24-hour Crisis and Help Lines

- KUU-US Crisis Line 1-800-588-8717
- Call or text 211 to connect with resource navigators who will provide info and referrals to available social services.
- Indian Residential School Survivors Society 1-800-721-0066
- VictimLink - for victims of family and sexual violence 1-800-563-0808 (call or text)
- Kid’s Help Phone Call 1-800-668-6868 to speak to a professional counsellor.
Available 24 hours a day.

For any TFN Members or their families who would like to request assistance with transportation to a medical appointment, HSS would appreciate at least a 2 day notice to facilitate this request.

INJURED ANIMAL RESPONSE GUIDE

The Natural Resources Department will take deceased birds whose feathers can be used for ceremonial purposes: **Hawk, Heron, Eagle**

Please report by contacting Natural Resources Department staff:
Liana Williams: 604 802 9586
Rachel Lau: 604 968 8935

IF YOU ENCOUNTER A SICK, INJURED, OR DEAD WILDLIFE:

Sick or injured wildlife must not be moved or touched without instructions from a wildlife professional. Sick or injured animals can become more stressed if handled incorrectly.

- For **sick or injured birds** (non-raptors), please report by contacting the Wildlife Rescue Association of BC at 604-0526-7275.

- Found a **deceased duck, swan, goose, raptor, or three or more deceased birds together?**

Contact the Interagency Wild Bird Mortality Line at 1-866-431-2473. The Interagency Wild Bird Mortality Line is a monitoring program that reports back to government agencies.

- For **injured or orphaned raptors** (hawks, eagles, falcons), call OWL Rehab at 604-946-3171.

- For **deceased wildlife other than birds** (e.g. raccoon, rabbit, coyote, deer), call the Wildlife Health Program at 1-250-751-7246.

- For **injured or deceased marine mammals**, please contact BC Marine Mammal Response at 1-800-465-4336.

City Nature Challenge 2024: Metro Vancouver Regional District (MVRD)

Join others throughout the Metro Vancouver Regional district who are participating in the City Nature Challenge, part of a global event to observe and record the biodiversity of living things! Help us to explore and share the incredible biodiversity of our area by observing nature all around us - birds, bats, butterflies, molluscs, trees, ferns and more!

The City Nature Challenge for the Metro Vancouver Regional district area is a partnership of 21 municipalities, one electoral area and one treaty First Nation. The regional district includes the following: Anmore, Belcarra, Bowen Island, Burnaby, Coquitlam, Delta, Electoral Area A, Langley City, Langley Township, Lions Bay, Maple Ridge, New Westminster, North Vancouver City, North Vancouver District, Pitt Meadows, Port Coquitlam, Port Moody, Richmond, Surrey, scə́wáθən məsteyəx^w (Tsawwassen First Nation), Vancouver, West Vancouver, White Rock.

Join Nature Vancouver and all its partners in iNaturalist to help us record as many WILD plants and animals as possible throughout the district on land, in the air and in our marine environments.

All you need to do is:

- Download iNaturalist to your iPhone or Android phone or your home computer
- Make an observation using photos or sound recordings from April 26th – April 29th

Observations can be uploaded directly to iNaturalist through your phone, or uploaded from your computer through May 4th.

New to iNaturalist? Follow this link for some great tips on how to get started and how to become a better identifier!

2024 Treaty Day Survey Draw

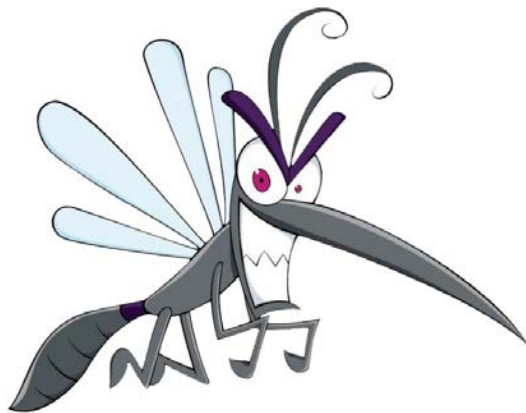

Thank you to the TFN Members and General Public who entered our Treaty Day Survey Draw for an AI Bird Feeder. We greatly appreciate your participation and interest and look forward to sharing more in the future.

MOSQUITOES

TFN Mosquito Control Program

Our contractor has been out and about testing and treating for mosquito larva throughout TFN Lands since the first week of April. Mosquitoes require only a few inches of standing water to reproduce. Please check your home and property carefully, and drain or cover all standing water in items such as:

- ✓ Tires
- ✓ Backyard Sumps
- ✓ Children's Toys
- ✓ Fish Totes
- ✓ Bird Baths
- ✓ Tarps
- ✓ Buckets
- ✓ Overwatered Grass

DID YOU KNOW...?

A single car tire holding, just a little rainwater can produce thousands of Mosquitoes in one year.

If anyone has questions about the Mosquito Control on TFN Lands contact the Lands Department by

- phone: 604-948-0694
- email: landsreception@tsawwassenfirstnation.com

Notice of Work Geotechnical Investigation on Falcon Way

Re: **Falcon Way, Tsawwassen, BC – Construction Activities – May 8, 2024**

This letter is to inform you of the upcoming geotechnical subsurface investigation that will be occurring along Falcon Way in Tsawwassen, BC, between Tsawwassen Drive and the north end of Falcon Way (See Figure 1).

Figure 1: Approximate Work Area

GeoWest Engineering Ltd. will be conducting a subsurface soil investigation that will involve non-destructive utility locating and drilling with a truck mounted Auger drill rig. Dynamic Cone Penetration Tests (DCPTs) will be conducted adjacent to the auger hole locations to assess the in-situ relative density/consistency of the soil, as deemed necessary by GeoWest field personnel. The auger holes / DCPTs will be extended to depths ranging from 3m to 9m below existing grade, or to practical refusal if encountered at a shallower depth.

Traffic control will be implemented to direct the oncoming traffic around the work area, while the work is being conducted. Access to the properties adjacent to the roadway will be maintained. The work will be completed on May 8, 2024, between the hours of 7:00 am and 4:00 pm.

EGBC Permit To Practice No. 1000607

Geotechnical and Environmental Consultants
Abbotsford | Coquitlam | Victoria

TSAWWASSEN FIRST NATION

REQUEST FOR PROPOSALS

Tsawwassen First Nation art for REACH Foundation Auction Item

Tsawwassen First Nation (TFN) endeavors to support and encourage its artists. We are proud of our artists and want to showcase TFN artwork.

We are seeking a carving from a TFN Member Artist (the “Artist”). This carving will be a donation from Tsawwassen First Nation to the REACH for the Stars Gala: Wishes & Wonder Gala.

This is an excellent opportunity for a Artist to showcase their work and gain exposure. REACH will be putting this year’s funds towards program expansion and development that will help ensure an even greater number of children have access to the critical services they need and deserve to *reach* their potential safely and effectively.

COMPLETION OF ARTWORK

The successful Artist will work with TFN staff in accordance with all reasonable guidelines and procedures established by TFN to ensure that the carving is completed by no later than 12:00pm on Monday, May 27, 2024.

THE PROJECT

1) Carving

BUDGET: \$750 (including taxes)

The carving must have significance and meaning for the Tsawwassen people. The carving will have a description, and artist biography to accompany the carving, submitted by the Artist at the time of the carving completion date. The submitted description and artist biography will then be provided to the REACH foundation, with the carving, for the auction set-up.

The successful Artist will receive 50% of the budget upon notification of their successful proposal and the remainder of the 50% upon completion.

Request for Proposals

scəwáθən məsteyəx^w

TSAWWASSEN FIRST NATION

THE PROCESS

- 1) Interested Artists must submit their proposal to TFN Reception by **12:00pm, Monday, May 13th, 2024** to be considered. Each proposal must include:
 - A. Representative Sketch with specified colors and size of final carving
 - B. The significance/meaning of the art.
 - C. The estimated cost of the art
 - D. Any receipts, invoices or appraisals that support the fair market value
(Required by CRA for all auction items)
- 2) Any cost or expense incurred by the artists associated with the preparation of their submission will be the sole responsibility of the artist.
- 3) All proposals will be reviewed by a TFN Staff Committee
- 4) The successful Artist will be informed of the decision by Tuesday, May 14th, 2024

This Request for Proposals is not subject to TFN's Procurement Policy. TFN reserves the right to modify or vary the terms of this Request for Proposals at its sole discretion.

Any inquiries can be directed to reception@tsawwassenfirstnation.com

TSAWWASSEN FIRST NATION

CALLING ALL TSAWWASSEN FIRST NATION ARTISTS

Tsawwassen First Nation (TFN) endeavors to support and encourage its artists. We are proud of our artists and want to showcase TFN artwork.

We are seeking all types of art from TFN Member Artists. All art will be a donation or a gift from the Tsawwassen First Nation Chief and Council.

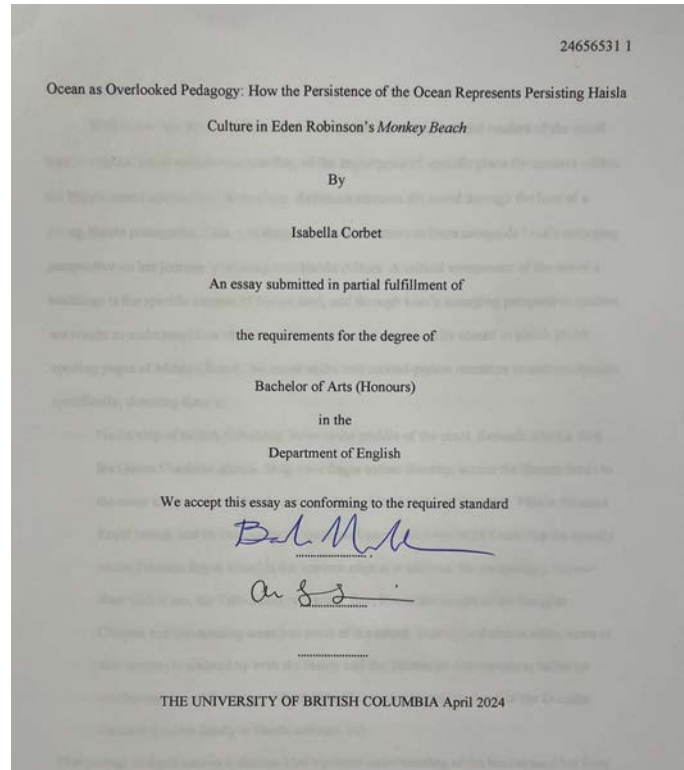

We are interested in art from both established and emerging TFN Member Artists. The primary concern of TFN is that the artwork has significance and meaning for the Tsawwassen people. This is an excellent opportunity for a TFN Artist to showcase their work and gain exposure.

The art should have a description and artist biography to accompany the art piece, submitted by the artist.

If you are interested in TFN purchasing your artwork, please make an appointment with Maryanne Adams or Andrea Jacobs at 604-943-2112 for your artwork to be considered.

Administration Office: 1926 Tsawwassen Drive, Tsawwassen, British Columbia V4M 4G2

Community Submissions

Congratulations to our TFN Youth Isabella Corbet! She completed and defended her thesis at UBC last week! The thesis looks at the importance of the ocean for teaching cultural lessons, in comparison to the land that normally gets the credit for teaching cultural lessons. It considers that because the ocean is much less known than the land, it gets less credit in literature and maps where it is often seen as an empty blue space. However, because of working with the ocean to understand it more, it teaches critical lessons of humbleness and continuous work to understand it and its power. That lesson is what Isabella found to be critical for cultural upbringing where she is taught to both love and also respect her land, ocean and culture.

Congratulations Isabella!

Your community and family are very proud of you.

- Corbet/Williams/Baker Family

Prayer of thanks

Thanks to Kim Baird for working so hard to get our treaty signed on April 3, 2009.

Thanks to all the other Chiefs who continued to keep the treaty alive.

Thanks to all the members who joined committees to work on the most important policies that would keep our nation alive and thriving.

Thanks to Chief and Executive Council, staff and Legislators who put the work together for all the members. One heart one mind one spirit.

Thanks to all who brought all members back and into a home on their mother's land.

Thanks to the Executive Council for using our culture for everything that we use to run our governance and all of our services.

Thanks to our governance for putting in all the services that all the members need for:

Housing, Health, Education, Job Training, Language, Drumming and singing.

Thanks to all members who are in Archaeology, Natural Resources, Agriculture, Housing, Intergovernmental Services, Long house, Advisory, to Legislature, Artwork which covers a lot.

Creator I ask blessings on all of the above. Chief and Executive, Legislators, Staff and all committees.
