1. Mission Statement and Purpose

The objective of this policy is to enable TFN Children and Youth to access accredited extra-curricular activities, through the provision of financial support, to support their emotional, physical, mental and spiritual development, which improve self-esteem and foster personal growth.

2. Eligibility

2.1. Eligible programs must be:

- 2.1.1. Related to education (e.g. tutoring, or lessons of some kind), or sporting activities (e.g. swimming lesson or club, hockey, soccer, etc.), and
- 2.1.2. Accredited by a relevant authority (e.g. Canadian Hockey Association, Canadian Soccer Association, Red Cross of Canada, Sylvan Learning Centre, etc.).

2.2. Eligible recipients must:

- 2.2.1. Be a Tsawwassen Member who is eligible to receive instructional support services under the Education, Health and Social Services Act (Tsawwassen) or the *Instructional Support Services Regulation*, and

2.3. The parent or legal guardian of an eligible recipient must be able to show to the manager of education satisfactory proof setting out how the extra-curricular activity being attended is an eligible program.

3. Process to apply for Grant

- 3.1. Applications must be made to the manager of education by completing the application form that appended to this and submitting it to the manager of education.
- 3.2. Parents or legal guardians may apply on behalf of an eligible recipient, and if that application is approved, he or she will receive up to \$150.00 to defray the costs of participating in an eligible program.

1. Authority

This policy is governed and constrained by applicable laws and regulations of Tsawwassen First Nation – specifically, the *Education, Health and Social Development Act* (Tsawwassen) (“the Act”) and the *Instructional Support Services Regulation* (Tsawwassen) (“the Regulation”). In the event that there is a discrepancy between this policy and the Regulation or the Act, the Regulation or the Act prevails.

2. Purpose

The purpose of this policy is to establish parameters to support the delivery of certain instructional support services to Tsawwassen students (defined as those Members of school age who live on Tsawwassen Lands) and Tsawwassen Members of school age who are ordinarily resident in Canada. These services are intended to

- improve educational outcomes by encouraging full attendance in school, and
- reduce the cost burden associated with attending school.

3. Context

The current *Instructional Support Services Regulation* (Tsawwassen) provides TFN with the authority to provide instructional support services to both Tsawwassen students and Members of school age ordinarily resident in Canada or the United States.

In addition to providing the funding authority, it also requires that Executive Council establish parameters on the delivery of the funding, which should ensure that the assistance is delivered efficiently and effectively.

This policy places parameters around the delivery of:

- Student Allowances for eligible students in grades 7 through 12; and
- Funding support to parents or legal guardians of all Tsawwassen Members of school age ordinarily resident in Canada or the United States to purchase school supplies.

4. Student Allowances

Sections 4.1 and 4.2 of this policy consolidate the relevant sections of the Regulation.

4.1. Student allowances are provided to Tsawwassen students and Tsawwassen Members of school age who are ordinarily resident in Canada on the following basis:

Grade	\$/month (\$)
7	20
8	25
9	25
10	25
11	30
12	35

- 4.2. The allowances provided for in Section 4.1 are based on full-time attendance at school. Allowances will be deducted at the rate of \$1 for every unexcused absence from class. Deductions will be based on the weekly attendance reports provided by schools to the Manager of Education.
- 4.3. The Manager of Education must provide the form set out in Schedule A to parents or legal guardians of eligible children. Parents or legal guardians must sign the form in order to provide the Manager of Education with access to their child's attendance data. Failure to submit the form will result in non-payment of student allowances. The Manager must make every reasonable effort to follow up with the parents of an eligible student to ensure that they have provided him or her with the authority to receive their child's attendance records

5. School Supplies

- 5.1. The parent or legal guardian of a Tsawwassen Members of school age ordinarily resident in Canada or the United States are eligible to receive funding to purchase school supplies on the following basis:

Grade	Amount (\$)
Students in Grades 1-4	200
Students in Grades 5-12	200

- 5.2. Prior to the beginning of each school year, the Manager of Education will ensure that the funding amount outlined in section 5.1 is sent to the parent or legal guardian of the eligible Tsawwassen student. Cheques will be made out in the name of the parent or legal guardian.
- 5.3. Funding for school supplies is provided directly to the parent or legal guardian, and he or she or they will receive the funding amount set out in section 5.1 for each school aged child who is in their care.

1. Introduction

Tsawwassen First Nation values education and provides a wide range of supports for elementary and secondary school students, including annual Instructional Support Services payments and Monthly Student Allowances. That support is intended to assist families in defraying some of the regular educational costs that come up during the school year, including basic school supplies. Over and above these programs, TFN will provide an additional \$300 in funding each school year to cover mandatory school equipment and supplies and full-participation school trips, as defined below.

2. Qualifying Students

Qualifying students are those Tsawwassen First Nation Members enrolled in grades 6 through 12 in Canada.

3. Eligible Expenses

Up to \$300 in funding will be provided to Qualifying Students each year to cover eligible school expenses. The Manager of Education and Skills Development will have the discretion to determine what constitutes an eligible school expense. In general, the funding can be used for

- school trips that are part of a full-participation, class-wide or school-wide excursion and/or included in the school curriculum, such as the grade six and seven skiing and camping trips;
- mandatory school-related equipment or supplies, over and above basic school supplies, that are required for participation in a for-credit school course, such as
 - rental of band equipment for music class;
 - the purchase of a camera if it is a mandatory requirement of an art class;
 - required woodworking supplies for a woodworking course.

This funding is not intended to cover basic school supplies such as notebooks, pens, paper, calculators and geometry sets. It only applies to supplies that are mandatory for participation in a for-credit course, and so would not cover things like computers, ipads or tablets. Nor would it cover expenses for optional or extracurricular activities, such as a ski trip with the high school ski club that is not intended to be full participation.

4. Documentation

Students must provide school documentation to support all funded expenses.

Cheques will be written directly to the school.

1. Authority

Tsawwassen First Nation values education and provides a wide range of supports for elementary and secondary school students, including annual Instructional Support Services payments, Monthly Student Allowances, funding for mandatory supplies and full-participation school trips, as well as awards for high school and post-secondary graduation.

TFN recognizes that students in grade 12 have additional expenses related to graduation activities.

2. Qualifying Students

Qualifying students are those Tsawwassen First Nation Members enrolled in grade 12 in Canada.

3. Application

Up to \$300 in funding will be provided to Qualifying Students each year to cover high school graduation expenses. This funding is meant to cover official school events, such as graduation dinners, galas, or boat cruises, organized by the school or by parents for the graduation class, as well as the purchase or rental of graduation dresses or suits for these events.

Students may apply for funding for multiple events, up to a total of \$300 for graduation events throughout their grade 12 year.

4. Cheques

Parents may ask TFN to write the cheque to the school, or to the parents directly

Policy for Graduation Awards

Date Enacted: 13 September 2017

Order Number: O.056-2017

Table of Amendments

Section(s) Amended	Date	Order number	Come Into Force Date
Replaces previous Graduation Awards Program (pre-Effective Date policy)	13/09/2017	O.056-2017	13/09/2017

1. Definitions

In this policy:

“Academic year” means any 8 consecutive months where a student is enrolled in an education program and generally refers to the period September through to April.

2. Introduction

Tsawwassen First Nation values education and wishes both to encourage Members to pursue education and to celebrate their educational achievements. As a result, Tsawwassen First Nation provides awards to Members who attain significant educational milestones as set out in this policy.

3. Eligible Students

Students are eligible for Graduation Awards if they are Tsawwassen Members resident in Canada on the date of their graduation.

4. Secondary Awards

Members who graduate from high school are eligible for one of the following awards:

- 4.1. School Completion Certificate (Evergreen Certificate) or equivalent: \$250
- 4.2. Adult Graduation Diploma (Adult Dogwood): \$500
- 4.3. Certificate of Graduation (Dogwood Diploma) or equivalent: \$500

5. College/Technology Institute/Justice Institute Awards

Members who graduate from post-secondary institutions, other than universities, including colleges, technology institutes, and the Justice Institute, are eligible for the following awards:

- 5.1. Certificate or equivalent credential recognizing graduation from a one-year post-secondary program: \$250
- 5.2. Diploma, Associate Degree or equivalent credential recognizing graduation from a two-year post-secondary program: \$500
- 5.3. Certificate of Qualification or equivalent in a Trade: \$500.
- 5.4. One- and two-year post-secondary programs are programs that are designed to be completed in one or two years of full-time study, as defined by the institution that offers the program, regardless how long a student takes to complete the program.

6. University Awards

Members who graduate from an accredited university are eligible for the following awards:

- 6.1. Undergraduate Degree: \$1000
- 6.2. Master's Degree: \$1500
- 6.3. Doctorate: \$2000

7. Multiple awards

TFN strives to encourage and celebrate students as they progress along their education paths. At the same time, TFN works to ensure awards are made available to as many students as possible. Therefore:

- 7.1. TFN will provide only one award at each level of accomplishment. (For example, a student will receive only one award for an undergraduate degree, even if he/she goes on to earn a second undergraduate degree.)
- 7.2. The same coursework cannot be used to get two awards, however students can build towards a higher award. For example, if a student earns the \$250 award for completing a one-year certificate at a college, and then studies for a second year in the same program to earn a two-year college diploma, that Member will receive another \$250 award. (That represents \$500 for the two-year diploma, less the \$250 that person already received for his/her first year of study.) Similarly, if a student earns a \$250 award for achieving an (Evergreen) School Completion Certificate, and they later go on to earn a Graduation (Dogwood) Diploma, they will be eligible for an additional \$250.
- 7.3. Each student can earn a maximum of \$1000 in awards for completing all undergraduate programming, including college, trades and university undergraduate degrees.
- 7.4. No awards are issued for certificate programs of less than one year. However if a post-secondary program is divided into multiple certificate programs that together form a full-academic year of certificate programs, that student is eligible for the one-year certificate award.

8. Documentation

Students applying for an award must arrange for a sealed official transcript of marks to be mailed to TFN. Photocopies and fax copies of transcripts cannot be accepted. Students are also asked to provide a photocopy of their certificate/diploma (Optional).

1. Definitions

In this policy

- a) **Academic Year** means any 8 consecutive months where a student is enrolled in an education program and generally refers to the period September through to April.
- b) **“Applicant” or “Student”** means any Tsawwassen member making an application under this policy.
- c) **Dependent** means a legal ward of a funded student, who is living with and financially dependent on the funded student.
- d) **Dependent spouse** means a person who is the legal partner of the Applicant and who has resided with the Applicant for at least one year, and who is solely dependent on the student for financial support. A spouse cannot be declared as a dependent spouse if the spouse is working full or part time or is regularly supported by an external source such as the Ministry of Child and Family Development, Service Canada, Worker’s Compensation, and Pension.
- e) **Graduate Student** means a student who is taking a Master’s or PhD (Doctorate) program, or equivalent, at a recognized educational institution.
- f) **ITA** means Industry Training Authority – website at www.itabc.ca
- g) **TFN** means Tsawwassen First Nation and the Education Department as the authority for administering this Post-Secondary support program.
- h) **TFN Member** means a Tsawwassen individual who is enrolled as a member of the Tsawwassen First Nation in accordance with the Final agreement and the *Membership Act*.
- i) **Course/Credit** means a specific academic or training topic that requires a minimum of three hours of class time per week for a semester, or the equivalent in a compressed time-slot.
- j) **Full-Time Student** means a student who is enrolled in at least 80% of a full-time course load, as determined by the institution, in each term.
- k) **Part-Time Student** means a student who is enrolled less than 80% of a full-time course load, as determined by the institution, in each term.
- l) **Eligible Post Secondary Institution** means Canadian public post-secondary institutions, as well as any Canadian institution that is on the BC Student Loan “designated” institutions list or the Private Career Training Institutions Agency’s accredited institutions list, and any Canadian trades training institution designated by the Industry Training Authority, as well as comparable institutions in other provinces.
- m) **Eligible Prep Program** means a program offered in Canada and approved by the Education and Skills Development Manager that provides students with the necessary courses to gain the academic level required to enter a degree or diploma program at a university or college.
- n) **Program of Studies** means a post secondary institution program, at least one academic year in length, leading to a degree, certificate, or diploma.

2. Am I eligible for funding?

If you wish to qualify for post-secondary funding:

- 2.1. You must be a Tsawwassen First Nation Member.
- 2.2. You must be at least 18 years of age by December 31st of this year.
- 2.3. You must not owe TFN funds for any debt or previous sponsorship. If you owe TFN money, you will be required to pay this debt before being considered for further funding.

3. What schools can I apply to?

You can receive funding under this policy for an application to any **Eligible Post Secondary Institution or Eligible Prep Program**.

4. What support does TFN provide?

Tsawwassen First Nation attempts to fund a comprehensive set of costs related to post-secondary education. The following outlines the categories and amounts of funding provided.

4.1. Annual maximums

It is important to note that TFN funds this program on a fixed annual budget. It is difficult to estimate on an annual basis the number of applications TFN will receive. There may be years when TFN has to choose to fund certain students instead of others, based on criteria. There may be other years when TFN must distribute the support evenly across several students. The Manager of Education and Skills Development must make that decision based on set criteria and the total amount of funding designated yearly for the purpose of student financial assistance by the annual TFN Budget.

The maximum funding assistance for each student each year is \$35,000. The maximum is set high enough to cover some specialized programs with high tuition rates. TFN's expectation is that the actual funding level calculated in sections 4.2 to 4.7 will be significantly less than \$35,000 for most students. If the funding level calculated in sections 4.2 to 4.7 (covering tuition, books and supplies, special equipment, travel support, commuter travel and living allowance) is less than \$35,000, the student will receive the lesser amount. This will ensure availability of funds to more TFN students.

4.2. Tuition

The Education Department will support, subject to available funding, amounts up to the full cost of tuition. For specialty courses such as law school, medical school, or a graduate business degree, the Manager of Education will assist to the extent possible depending on the availability of funds in the given year.

Tuition will be paid directly to the education institutions upon invoicing by the institution. Applicants are responsible for ensuring the institution is aware of sponsorship.

4.3. Books and Supplies

Tsawwassen First Nation will pay the actual cost of books and supplies that are specifically required at any program, to a maximum of \$2,000 per year. To be eligible, books and supplies must be indicated as required on a course list, syllabus, or hand-out.

Book and supply costs will either be paid directly to the institution upon invoicing, or will be reimbursed to the student upon receiving receipts.

Supplies may include scientific calculators, but does not include personal computers or laptops.

4.4. Special equipment

Tsawwassen First Nation will pay up to \$500.00 per academic year for equipment required by special needs persons or extraordinary equipment for Specialty studies. In all circumstances TFN will make a final determination of eligibility.

Special equipment costs will be paid directly to the institution upon invoicing, or reimbursement to the student upon receiving receipts.

4.5. Travel support

Travel support refers to extraordinary costs associated with travel to or from the post secondary Institution. Actual costs of travel will be reimbursed, to a maximum of \$1,000 per year. Students are expected to use the most reasonable economic means of transportation. Part-time students are not eligible for travel support.

Travel costs will be reimbursed to the student upon receiving receipts.

4.6. Commuter Travel

Commuter funds from TFN to academic training institutions will be reimbursed according to the number of Translink zones traveled, as follows. This will be updated when required to reflect current Translink transit costs.

- 1 zone travel: \$91 per month
- 2 zone travel: \$124 per month
- 3 zone travel: \$170 per month

Students who drive to school are eligible to apply for and receive this support, on the same formula as described above.

4.7. Living allowances

The following categories outline how TFN will subsidize the living allowances of students. All payments under this section will be made on the last Thursday of the month for the following month.

4.7.1. Full Time Students

Students are eligible for living allowances for the months during which they are attending a post-secondary institution full time. These rates are maximums (subject to section 4.7.2).

Category	Amount (monthly maximum, applies if not working)
Single	\$1,280
Married (spouse working)	\$1,130
Married (dependent spouse)	\$2,220
Single parent with one dependent:	\$2,220
For every dependent in addition to the number outlined above, this allowance will be increased by \$200.	\$200

4.7.2. Dependents

All Students who are claiming dependents must provide relevant documentation. Anyone found to have falsely reported dependents will be required to immediately repay the relevant amount to TFN, and will be ineligible for future education funding.

4.7.3. Students Working Part-time

Full-time students who are employed more than 15.0 hours per week are eligible for a living allowance according to the following formula:

Applicable living allowance (see 4.7.1) minus 30% of gross monthly income, with a minimum monthly incentive of \$100 plus \$200 for each dependant.

Example: Donna is a single student living alone, with no dependants. She works and makes \$1,500 a month. If she decided to go to school, her living allowance would be the applicable living allowance for a single individual (\$1280) less 30% of her monthly wages ($\$1,500 \times 30\% = \450). So she would receive a monthly living allowance of $\$1,280 - \$450 = \$830$. She still keeps all her work income.

4.7.4. Part Time Students

Part-time students are not eligible for a living allowance. However, they will receive a living top-up of \$100 a month.

4.8. Entrance Testing

With the exception of transcript requests, TFN is able to cover any costs concerning tests or other entrance related expenses, provided they are needed to determine entrance requirements or eligibility. It is the responsibility of the student to pay for and procure the required number of transcripts.

4.9. Years of Support

4.9.1. Comprehensive Support

TFN strives to support students as they progress along their post secondary education paths. At the same time, TFN works to ensure funding is made available to as many students as possible. Therefore TFN will provide comprehensive support, as set out in sections 4.2 through 4.7, for:

- up to four years of study in community college or certificate programs;
- up to five years of study in college and university undergraduate degree programs;
- up to two years of study in masters degree programs; and
- up to four years of study in doctorate degree programs.

4.9.2. Tuition Only

In addition, TFN will continue to pay tuition only for students who undertake post-secondary studies beyond the support provided under section 4.9.1.

5. How do I apply?

5.1. Application package

A completed and signed application for funding should be submitted by the deadlines identified in section 5.2, together with the following documents

- A copy of the previous year's T4 and Revenue Canada Notice of Assessment, indicating the students earnings;
- A copy of the previous year's T4 and Notice of Assessment of the applicant's spouse or partner (if applicable); and
- A letter from the student's employer (if employed) indicating total hours worked per week and monthly gross salary.

The application package is at the back of this booklet.

5.2. Timelines for Applying

5.2.1. Main Deadline: April 1st

Students contemplating beginning school in September must submit their applications by April 1st of that year. The Manager must post notice of the April 1st deadline at least two months prior to the deadline, and repeatedly thereafter. At a minimum, notice must be posted by that date in a public place, on the TFN website, in the TFN Community Newsletter, and by mail to all Tsawwassen Members.

Students who miss the April 1st deadline may still be considered for funding, but only after all the applications received prior to the deadline have been processed. It takes a minimum of one month to process applications.

5.2.2. Supplemental Deadline: October 15th

Students contemplating beginning school in January must submit their applications by October 15th of the previous year.

The Manager must post notice of the October 15th deadline at least one month prior to the deadline, and repeatedly thereafter. At a minimum, notice must be posted by that date in a public place, on the TFN website, in the TFN Community Newsletter, and by mail to all Tsawwassen Members.

Students who miss the October 15th deadline may still be considered for funding, but only after all the applications received prior to the deadline have been processed. It takes a minimum of one month to process applications.

5.2.3. Other Deadlines: one month minimum

For post-secondary programs that begin at non-traditional times (other than September or January), students must submit their applications a minimum of one month before the program begins. Two month's notice is preferred.

5.2.4. Acceptance Letter Deadline

No later than one month before the program start date, new applicants must submit an acceptance letter from the institution identified on their funding application.

5.2.5. Academic Transcripts Deadline

All applicants must submit unofficial transcripts at the end of each semester, and official transcripts at the end of each academic year, for funding the following academic year. Applicants just out of high school must submit their official provincial examination transcripts with their funding applications.

5.2.6. Missed timeline

Funding is generally not provided retroactively. Students are reminded that it takes a minimum of one month to process applications.

5.3. Alternative Funding Sources

In addition to support from Tsawwassen Government, many students will be eligible for financial assistance from other programs either administered by TFN Government, or by other governments and agencies.

5.3.1. Other funds administered by TFN

In cases where TFN students are eligible for funding under the ACCESS program administered by TFN's Employment and Training Coordinator, the Education Department will work with the student to obtain partial funding through the ACCESS program. If a student who is eligible under this Post Secondary Education policy receives ACCESS funding, he or she is still eligible for a top-up under the Post Secondary Education budget, up to the maximum levels identified in this policy.

5.3.2. Scholarships from outside agencies

The Education Department will also assist students to identify and apply for bursaries and scholarships provided by outside agencies. Students are encouraged in particular to apply for scholarships offered by Westshore Terminals and Chevron—to TFN students specifically. Any scholarships that a TFN student is awarded from outside agencies will be over and above the funding that TFN provides.

6. How does TFN choose who to fund?

Tsawwassen First Nation attempts to fund all students interested in post-secondary education. However, when funds are limited, difficult choices must be made. If there are more people applying in a year than the amount of funding available, the Education Department will have to prioritize certain students over other students. The following list identifies the order of priority that the Department will take when making that decision.

1 st Priority	Returning full-time students - Students must maintain an acceptable grade level (C-, 60% equivalent)
2 nd Priority	New full-time High School Graduates
3 rd Priority	New mature students seeking a full time program
4 th Priority	Part-time students and Occupational Skills Training students.
5 th Priority	Graduate students
6 th Priority	Students applying for a new program, who have completed a different program at the same education level within the last two years. There are four 'education levels': 1) vocational, 2) college/university undergraduate, 3) master's, or 4) doctoral.

A returning student includes a student who is continuing in a different semester or a different year, but in the same program of study, regardless of the priority otherwise listed. For example, a graduate student who is moving from the first to second year of study would be considered a returning student, and be the first priority for funding.

If there are several returning students, the 2nd to 5th priorities will apply to make priority distinctions between returning students.

The intent of the 6th priority is to ensure that opportunities are available first to students who have not already received funding from TFN for training at a specific education level.

7. What are my responsibilities as a student?

Tsawwassen expects students it supports to adhere to a set of basic standards. These standards, if met, should generally also ensure success in the course of study. The standards are set out below. In addition, there is an academic standard set out in section 8.

7.1. Good decision-making

Students are expected to plan to the best of their ability all aspects of their future education and training. This includes making informed and reasonable decisions with regards to program and class choices, place of residence, employment, and healthy living. When needed, students are expected to seek out assistance and counselling to ensure a successful education process.

7.2. Regular Attendance

All applicants must attend regularly and maintain an acceptable level of performance.

7.3. Monthly Check in

By the 15th of each month, students must send an email to the Education Program Assistant to update TFN on how school is progressing, and to report on any anticipated changes to the program of study. The email will be submitted before living allowance payments are made for the following month of study.

7.4. Suspensions

Students are expected to maintain good behaviour at school and to avoid being disciplined, particularly suspension. Students who are suspended will have their support terminated. Any support (i.e. tuition, books, living allowances) paid to, or on behalf of the student, that is deemed lost by TFN must be paid back to TFN before any further financial support will be considered.

7.5. Completion of study

Students who do not complete the program of study in the semester as specified in the application, other than for medical release (that has been approved by the post secondary institution), will be responsible for paying back any support specifically for that semester (i.e. tuition, books, living allowances) paid to, or on behalf of the student that is deemed lost by TFN. The amount must be paid back to TFN before any further financial support will be considered. Repayments will be considered on a semester-by-semester basis.

7.6. Contacting the Manager

Students are responsible for contacting the Manager of Education and Skills Development in writing of any significant changes that might affect funding (i.e. dropping courses that result in a full-time student moving to part-time status) prior to the end of the semester in question.

8. What marks do I have to get to keep my funding, and what happens if I don't get those marks?

8.1. Minimum academic standard

TFN has set the minimum acceptable level of performance at a "C-" or equivalent (average of 60%).

8.2. Annual performance assessment

Students will be reviewed on an annual basis (prior to the beginning of each academic year) to assess performance. Review of performance will be based on transcripts. When necessary, students may be requested to submit written explanations or other documentation to assist in TFN's review

8.3. Probation

Students who fall below TFN's standard will be placed on probation. Under probation, students will have one semester to increase their GPA to or above TFN's standard. During the probation period students may be required to submit additional transcripts, program documentation, and personal documentation, and seek academic or personal counselling. Students may also be asked for attendance records. If a student does not increase their GPA to or above TFN's standard during the probation period, the Manager may withdraw any future funding.

TFN's tolerance will be at a minimum during a probation period. Students on probation who do not follow this policy will have funding support terminated, and the student will be responsible for paying back any support (i.e., tuition, books, living allowances) paid to, or on behalf of the student, that is deemed lost by TFN. The amount must be paid back to TFN before any further financial support will be considered.

9. The Appeal Process

All students have a right to appeal regarding any decision made by TFN regarding their application review, or probation period. The appeal will follow the process set out on the Administrative Review and Judicial Proceedings Act, available online at www.tsawwassenfirstnation.com

Schedule A: Post Secondary Funding Application Package

Application for Education Funding Assistance - Post Secondary

Message from Executive Council

Congratulations on deciding to pursue your education goals!

Getting an education is the most important thing you can do to achieve the goals you have set for yourself. Achieving a university or college education, or acquiring a trade certification, opens up a huge number of opportunities. The evidence from study after study is clear: the surest way to a higher income and better quality of life and is to get post-secondary training.

Post-secondary education is not easy. It is one of the biggest challenges we can set for ourselves. It is intimidating to apply, it is a unique and different environment, and most of all, it is a lot of work. But it is one of life's most rewarding achievements – not just because of the personal challenge, but also because of the opportunities that await after you graduate.

Today's economy is oriented towards people who are highly trained in a trade or a profession. If you're ready, you will make a huge contribution to your own future, and to the future of our community, by taking the leap and registering for school.

We applaud you if you have made this decision. If you are still thinking about it, please read and consider this package carefully, and don't hesitate to call the Education department at (604) 943-2112. They'll help you out however possible. And good luck in your studies!

-Chief & Executive Council

CHEVRON SCHOLARSHIP FUND - PROGRAM RULES -

Eligibility

Chevron Scholarship Fund shall be awarded to students who:

- a) are Members of the Tsawwassen First Nation at the time of the award;
- b) must be registered in a recognized Post-Secondary Institution;
- c) enrolled in an educational program in any accredited Post-Secondary institution or ITA program.

Scholarship Awards

Each year, from 2016/2017 until 2021 Chevron Scholarship Fund will award four annual scholarships of \$2,500 each year,

Selection Committee

Chevron and the Executive Council of the Tsawwassen First Nation shall each appoint two members to a Scholarship Committee. The Scholarship Committee shall review applications and decide which applicants shall receive a scholarship award. Should a Committee Member have a conflict of interest, then that Committee Member will not participate in the selection process for that year.

Selection Criteria

All scholarships shall be based on the student's grade point average and two letters of recommendation testifying to the student's scholastic abilities and character from teachers, community leaders and/or business owners.

For the purposes of evaluating grade point average, the following scale shall be used:

A=3 B=2 C+=1.5 C=1.0 Pass = .5

Applications

Candidates for the scholarship awards must make application by March 31st at 4:30pm by completing an application form and submitting it, along with the two letters of recommendation, a written statement of need, and an official transcript of grades (high school and/or post-secondary), to the TFN Education Department. Application forms are available from the Education Department at the TFN administration building and on the TFN Website.

Award Winners

Students who are selected for a scholarship will be notified in writing by Chevron that they have been selected. This letter shall be presented to the educational institution which will be requested to verify the student's enrollment. Upon receipt of the verification from the student, TFN will issue a cheque to the student at the TFN Graduation Dinner in June. The TFN Graduation Dinner is celebrated on the second Thursday of every June.

Unsuccessful Applications

Those that have previously applied for the scholarship and have been unsuccessful can be eligible in future years if still undertaking Post-Secondary education.

WESTSHORE TERMINALS SCHOLARSHIP PROGRAM - PROGRAM RULES -

Eligibility

Westshore Terminals Scholarships shall be awarded to students who:

- a) are Members of the Tsawwassen First Nation at the time of the award and for any subsequent payment
- b) graduated from a recognized high school.
- c) submitted their Scholarship application within the year of their graduation, even if the student wishes to defer attendance at a post secondary institution for one year, and
- d) enrolled in an educational program in any accredited post-secondary institution or ITA program.

Scholarship Awards

Each year Westshore Terminals Limited Partnership will award two renewable scholarships of \$2,500 per year to eligible students. The maximum award will be \$10,000 for any recipient, payable in four installments, subject to annual proof of enrolment.

Selection Committee

Westshore Terminals Limited Partnership and the Executive Council of the Tsawwassen First Nation shall each appoint two members to a Scholarship Committee. The Scholarship Committee shall review applications and decide which applicants shall receive a scholarship award. In addition, the Scholarship Committee shall review and approve applications for award renewals should there be any issue with respect to qualifying for a subsequent payment. Should a Committee Member have a conflict of interest, then that Committee Member shall not participate in the selection process for that year.

Selection Criteria

All scholarships shall be based on the student's grade point average in the final year of high school and two letters of recommendation testifying to the student's scholastic abilities and character. One letter of recommendation must be from one of the student's teachers in the high school that he or she graduated from.

For the purposes of evaluating grade point average, the following scale shall be used:

A=3 B=2 C+=1.5 C=1.0 Pass = .5

Applications

Candidates for the scholarship awards must make application prior to September 30 by completing an application form and submitting it, along with the two letters of recommendation, and an official transcript of their graduating marks, to the Human Resources Department at Westshore Terminals. Application forms are available from the Education Department at the TFN administration building.

Award Winners

Students who are selected for a scholarship will be notified in writing by Westshore Terminals that they have been selected. This letter shall be presented to the educational institution which will be requested to verify the student's enrollment. Upon receipt of the verification from the student, Westshore Terminals will issue a cheque to the student.

Renewals

Yearly renewal of the award is dependent upon the student providing proof of enrollment in an institute of post secondary education, and proof of the successful completion of the previous academic year on or before August 15.
