TFN Treaty Periodic Review

Phase 1 of the TFN Treaty Periodic Review Has Begun

Tsawwassen First Nation is beginning Phase 1 of the Periodic Review, a process built into the TFN Treaty that allows TFN, BC, and Canada to review and improve how the Treaty works over time.

This notice is for information only. No decisions are being made at this stage.

What Is the Periodic Review?

It is a regular, collaborative process that keeps the Treaty a living agreement—one that continues to reflect the needs of TFN Members today and into the future. This is not a reopening of the Treaty, and any potential updates occur through negotiation, not the courts.

Why This Matters

The Treaty remains an integral part of TFN's success, supporting strong self-government, stable governance, and long-term Nation-building. The Periodic Review is an opportunity to strengthen what is already working and make practical improvements that support TFN's future generations.

What Is Phase 1?

Phase 1 focuses on early, targeted improvements where TFN, BC, and Canada are already aligned. These discussions are preliminary and centred on clarity and good governance.

What's Next?

More information will be shared as the process unfolds, including website and social media updates, text notifications, a detailed Social Pinpoint information page, and spring engagement sessions for learning and questions.

TFN is committed to providing clear, transparent updates throughout the process.

Cancer Screening Notice

Mobile BC Cancer screening is temporarily limited due to maintenance issues with their units. As a result they have had to reduce visits and adjust their schedule across BC. This is a BC Cancer systems/scheduling issue (not a TFN Health decision). TFN health services will reconnect with BC Cancer in the summer to plan for a possible fall visit (timing may shift based on provincial demand).

If you were supposed to be screened and need to be rebooked, TFN Health Services can help. **Send us your registration form and BC Cancer will try to get you rebooked at your preferred location.** BC Cancer has confirmed that if we send in your registration form, their team will help rebook you at your preferred screening location.

Older Centre Closed

Effective February 16, all programming, events, and bookings normally held at the former Older Centre will take place at the church. This applies to all departments and includes all family and community bookings, including meetings, workshops, clinics, rentals, and drop in activities.

For questions or more information, please contact TFN Health services, and we'll help you with the next steps and the required paperwork.

RFQ Catering for Treaty Rights & Title Department

Cultural Hub – February 27, 2026

The Treaty Rights and Title department is seeking a caterer to provide food for the Metro Vancouver meeting being held on **February 27th, 2026, from 12 pm – 2:30 pm** at the TFN Cultural Hub.

There will be approximately 10 people in attendance. There will need to be one vegetarian option.

SUBMISSIONS DEADLINE

Deadline for submissions is February 20th at 12:00pm

Submissions should include business contact information, a sample menu, and price per person.

 **Caterer will be expected to provide the following for the meeting:**

- Food for up to 10 people, with one vegetarian option
- Beverages
- Dessert
- Napkins, serving dishes, serving spoons/tongs

Plates, cups, and cutlery are available in the Cultural hub in limited quantities, so disposable plates, cups, and cutlery will be required. The caterer will be responsible for clearing dishes and loading them into the dishwasher, keeping serving areas tidy, and cleaning up.

Tenant Office Hours

Drop In, Say Hello, and Stay Connected

We have recently launched Tenant Office Hours at the TFN Administration Building (1926 Tsawwassen Drive).

You'll find our Hələləm Collective Property Management team in the first office to the left of reception.

Every Wednesday | 1:00 PM – 4:30 PM

(Except statutory holidays and office closure days)

In həŋqəmiŋəŋ, Hələləm means "houses" or "housing." To the Collective, it embodies the spirit of home — gathering together, lifting one another up, and restoring balance through safe, culturally grounded homes where Tsawwassen Members not only survive, but thrive.

Swing by anytime if you need:

- Answers to tenancy questions
- A form or printout
- Or just want to say hi and chat

Bonus: There will be treats (and they change weekly).

Our team is excited to connect with you whenever you can drop in. See you soon!

ANNUAL SPRING CLEANUP – 2026

As we prepare for another year of keeping our community clean, we want to share some important reminders about disposal practices and upcoming Public Works initiatives.

Wednesday, May 13, 2026

This community-wide cleanup event is an opportunity for all TFN members to dispose of large household items, yard waste, and other materials that cannot go into regular curbside garbage. More details will be shared as we get closer to the date.

SCHEDULING DISPOSAL ITEMS WITH PUBLIC WORKS

To help keep our roads clean and ensure staff can plan appropriately:

- Do not place large items, debris, or materials on the roadside without prior notice.
- If you have bulky items, renovation waste, or green waste that needs pickup outside of the spring cleanup event, please contact Public Works to schedule a collection.

Unscheduled roadside dumping creates safety hazards, delays regular operations, and increases costs.

USE OF TFN GARBAGE BINS

A reminder that the TFN garbage bin at the Public Works Building is for waste generated on TFN lands only. This bin is NOT to be used for the following:

- Commercial waste disposal from off-site
- Waste from non-TFN properties
- Outside contractors unless approved

After School Literacy Support K-7

DETAILS

Starting in January 2026, the Tsawwassen First Nation Education Team is offering an optional after school literacy program for elementary students who may benefit from extra support. Many students already get help during school hours, and this program adds one more layer by giving them a comfortable and familiar place to practice reading and writing skills after school.

Students will work one on one or in small groups with our TFN Education Assistant, Emily Toews. The focus will be on phonics, reading fluency, comprehension and writing. Sessions will take place at the Youth Centre and will include activities like storytelling, games and practice with books and tools that connect to the BC curriculum.

Families who join will have the chance to talk with our team about their child's starting point and learn how progress will be tracked and shared over the term. Our goal is to help build confidence, strengthen literacy skills and foster a love of reading.

If you would like your child to participate, please reach out by January 16, 2026. Space is limited.
