TFN Treaty Periodic Review

Phase 1 of the TFN Treaty Periodic Review Has Begun

Tsawwassen First Nation is beginning Phase 1 of the Periodic Review, a process built into the TFN Treaty that allows TFN, BC, and Canada to review and improve how the Treaty works over time.

This notice is for information only. No decisions are being made at this stage.

What Is the Periodic Review?

It is a regular, collaborative process that keeps the Treaty a living agreement—one that continues to reflect the needs of TFN Members today and into the future. This is not a reopening of the Treaty, and any potential updates occur through negotiation, not the courts.

Why This Matters

The Treaty remains an integral part of TFN's success, supporting strong self-government, stable governance, and long-term Nation-building. The Periodic Review is an opportunity to strengthen what is already working and make practical improvements that support TFN's future generations.

What Is Phase 1?

Phase 1 focuses on early, targeted improvements where TFN, BC, and Canada are already aligned. These discussions are preliminary and centred on clarity and good governance.

What's Next?

More information will be shared as the process unfolds, including website and social media updates, text notifications, a detailed Social Pinpoint information page, and spring engagement sessions for learning and questions.

TFN is committed to providing clear, transparent updates throughout the process.

Aging at Home

Grounds Maintenance & Snow Removal Program

This program supports Tsawwassen Elders — and Members with health limitations — to live safely and comfortably at home by helping with grounds maintenance and snow removal within the TFN Community Area.

Services Included:

Grounds Maintenance

- Grass cutting
- Minor landscaping for safety and aging in place
- Delivered by TFN or by an outside provider (with reimbursement)

Snow Removal

- Provided only by TFN or TFN’s contractor
- No reimbursement for private snow removal services

WHO CAN APPLY?

Elders

- TFN Members 55+ living in their primary residence on TFN Lands.
- Eligible for up to \$2,500/year in grounds maintenance support (per residence).
- Snow removal is automatically provided by TFN after 5 cm of snowfall.

Non-Elders (Exceptional Circumstances)

- Members with health limitations preventing them from doing yard work may apply.
- Must show they cannot complete the work themselves.

Not Eligible

- Major landscaping, renovations, or minor home repairs
- (these fall under other TFN programs).
- Cleaning or removal of personal items (toys, vehicles, pools, waste, animal feces).
- Any service the Director deems ineligible.

APPLICATION PROCESS

Submit a completed application form to the Director of Municipal Infrastructure.

- Applications processed first-come, first-served.
- Include:
 - Type of work needed
 - Desired frequency (if TFN provides the service)
 - Any additional info requested

Grounds Maintenance & Snow Removal Program Additional Info

WAITING LIST

- If the program is full, eligible applicants are placed on a waitlist.
- Applicants must respond within 10 business days when contacted.

HOW PAYMENTS WORK

Option 1: TFN-Delivered Service

- TFN or its contractor completes the work directly.
- No reimbursement for services completed by TFN.

Option 2: Reimbursement

- Applies only to grounds maintenance (not snow removal).
- Eligible for reimbursement for services completed on or after April 1, 2026.
- Must provide:
 - Proof of payment
 - Evidence the work was completed
- Reimbursement available for up to 2 years after service date.

Renewals

- If TFN provides your ongoing service, you do not need to reapply each year.
- Members must keep their contact information up to date and notify TFN if their circumstances change.

MEMBER RESPONSIBILITIES

- Ensure yards are free of hazards or obstacles (including dog feces) before service.
- TFN may refuse service until hazards are removed.

YOUTH SWIMMING LESSONS (K-GR.7)

Ladner Leisure Center

April 1st – June 24th

Wednesdays 4:00PM – 4:45PM

Swimming lessons are an important investment in our TFN youths development, providing critical water safety skills that greatly reduce the risk of drowning. Beyond safety, these lessons promote physical activity, build self esteem, and instill a lifelong sense of confidence in the water. Help us get your children summer ready and keep our future fishers safe.

Please Note:

There is a possibility of us returning to the youth center late during swimming lessons. Please have patience with us during this time.

There is no alternative programming on Wednesday so if your child does not wish to participate or comes unprepared they will still be accompanying us to the pool, where there is a designated sitting area.

REGISTER NOW

If your child is interested in participating please fill out the following information and return to youth center staff or scan and send to cadams@tsawwassenfirstnation.com:

ANNUAL SPRING CLEANUP – 2026

As we prepare for another year of keeping our community clean, we want to share some important reminders about disposal practices and upcoming Public Works initiatives.

Wednesday, May 13, 2026

This community-wide cleanup event is an opportunity for all TFN members to dispose of large household items, yard waste, and other materials that cannot go into regular curbside garbage. More details will be shared as we get closer to the date.

SCHEDULING DISPOSAL ITEMS WITH PUBLIC WORKS

To help keep our roads clean and ensure staff can plan appropriately:

- Do not place large items, debris, or materials on the roadside without prior notice.
- If you have bulky items, renovation waste, or green waste that needs pickup outside of the spring cleanup event, please contact Public Works to schedule a collection.

Unscheduled roadside dumping creates safety hazards, delays regular operations, and increases costs.

USE OF TFN GARBAGE BINS

A reminder that the TFN garbage bin at the Public Works Building is for waste generated on TFN lands only. This bin is NOT to be used for the following:

- Commercial waste disposal from off-site
- Waste from non-TFN properties
- Outside contractors unless approved
