RFQ Election Officer Services

Tsawwassen First Nation (TFN) is a proud Coast Salish nation whose land base is located south of the Fraser River along the Salish Sea. We are a self-governing modern treaty First Nation under the terms of a Final Agreement that became effective in 2009. Currently TFN has approximately 350 Members of voting age – this includes Members who live away from Tsawwassen Lands in Canada and the USA, who will require mail-in and online voting options.

TFN is seeking quotes for the services of an Election Officer for the next Tsawwassen General Election occurring on Saturday October 17th, 2026. In accordance with section 7 of the TFN Elections Act (2025), the Election Officer must have the knowledge and experience to conduct an election, cannot be a Tsawwassen Member, and cannot be an employee of Tsawwassen First Nation or an employee of a Tsawwassen Institution. The duties of the Election Officer include, but are not limited to, the following:

- Receiving and confirming nominations, and vetting candidates for eligibility
- Preparing and posting a voters list
- Organizing Nomination and All-Candidates meetings
- Preparing, distributing and receiving mail-in ballots
- Managing in-person voting and counting of ballots
- Managing online voting including the set-up and configuration of an online voting platform
- Preparing a report on election results
- Compiling and delivering an election manual upon completion of the election

TFN's Elections Act (2025) is available to view on our website tsawwassenfirstnation.com/governance-overview/laws Please note that the Regulations currently listed on the website are due to be replaced, and we anticipate that new Regulations will be approved by July 2nd 2026. Applicants can request draft versions of the new Regulations for review by contacting Jennifer Jansen (see below).

Interested candidates should submit a proposal via email to Jennifer Jansen, Manager of Government and Legislative Services, no later than 4:30 pm on Thursday June 25th 2026. Please include your previous relevant experience, a complete list of anticipated fees and expenses, and a minimum of 2 references. Questions can be directed to Jennifer Jansen via email or by phone.

Expression of Interest: Sidney Spit Ferry and Water Taxi Services Overview

Parks Canada has advised that it is planning a change to the current operational model for the Sidney Spit ferry service. While there are two years remaining on the existing service contract, Parks Canada intends to transition to a business license model at the conclusion of that term.

Proposed Change

Under the new business license model, operators would be granted greater flexibility with respect to:

- Vessel size and type
- Ticket pricing and service structure

The objective of this change is to create more adaptable operating conditions and to support the development of sustainable and profitable ferry or water taxi businesses servicing Sidney Spit.

Upcoming Opportunity

Parks Canada will be issuing a call for expressions of interest from businesses that wish to operate ferry or water taxi services between Sidney and Sidney Spit under this new model.

Policy & Intergovernmental Affairs

TFN Treaty Periodic Review

Phase 1 of the TFN Treaty Periodic Review Has Begun

Tsawwassen First Nation is beginning Phase 1 of the Periodic Review, a process built into the TFN Treaty that allows TFN, BC, and Canada to review and improve how the Treaty works over time.

This notice is for information only. No decisions are being made at this stage.

What Is the Periodic Review?

It is a regular, collaborative process that keeps the Treaty a living agreement—one that continues to reflect the needs of TFN Members today and into the future. This is not a reopening of the Treaty, and any potential updates occur through negotiation, not the courts.

Why This Matters

The Treaty remains an integral part of TFN's success, supporting strong self-government, stable governance, and long-term Nation-building. The Periodic Review is an opportunity to strengthen what is already working and make practical improvements that support TFN's future generations.

What Is Phase 1?

Phase 1 focuses on early, targeted improvements where TFN, BC, and Canada are already aligned. These discussions are preliminary and centred on clarity and good governance.

What's Next?

More information will be shared as the process unfolds, including website and social media updates, text notifications, a detailed Social Pinpoint information page, and spring engagement sessions for learning and questions.

TFN is committed to providing clear, transparent updates throughout the process.

Ladner Leisure Center

April 1st – June 24th

Wednesdays 4:00PM – 4:45PM

Help us get your children summer ready and keep our future fishers safe.

Please Note:

There is a possibility of us returning to the youth center late during swimming lessons. Please have patience with us during this time.

There is no alternative programming on Wednesday so if your child does not wish to participate or comes unprepared they will still be accompanying us to the pool, where there is a designated sitting area.
