

Dear homeowner or tenant,

This letter is to inform you that we will be conducting work in your area, please take a moment to read the information provided below.

Fortis BC Gas will soon be completing a service installation at 4674 Eagle Way.

What does this mean for you?

Work is scheduled to take place in the roadway on Eagle Way. Work is scheduled for September 29th, hours of operation from 8am – 4pm.

To complete the project safely, we will need to restrict traffic flow and close the road while work is in progress. Flag persons will be onsite to direct traffic and parking will be limited. We appreciate your patience and co-operation during resulting delays.

Your safety

At FortisBC, our commitment to public safety is a top priority, we ask you to please remind children not to play near the construction site or equipment during or after work hours.

If you have any questions or concerns regarding the work to be done, or have additional information you believe FortisBC should be aware of, please contact me at 604-317-0558

We appreciate your patience and co-operation during this work, which is part of ongoing enhancements to our distribution system.

Sincerely,

Sean O'Flynn
Operations Supervisor
