

NOTICE OF CONSTRUCTION

Members Beach Park Improvements

Tsawwassen First Nation Public Works will be starting a 2-week park improvement project on Monday September 28th. The construction activities include land clearing, debris removal and site prep for the future dog park.

As a result of the work, the park gates located off Tsatsu Shores Drive will be closed for access for the 2 weeks of construction.

TFN Members will continue to have access to the park through the gate located off the Ferry Causeway.

We ask all park users to use extra caution to ensure everyone's safety. We apologize for any inconvenience and appreciate your patience and cooperation while TFN completes these improvements.
