TFN Construction/Matcon
CIVIL JOINT VENTURE

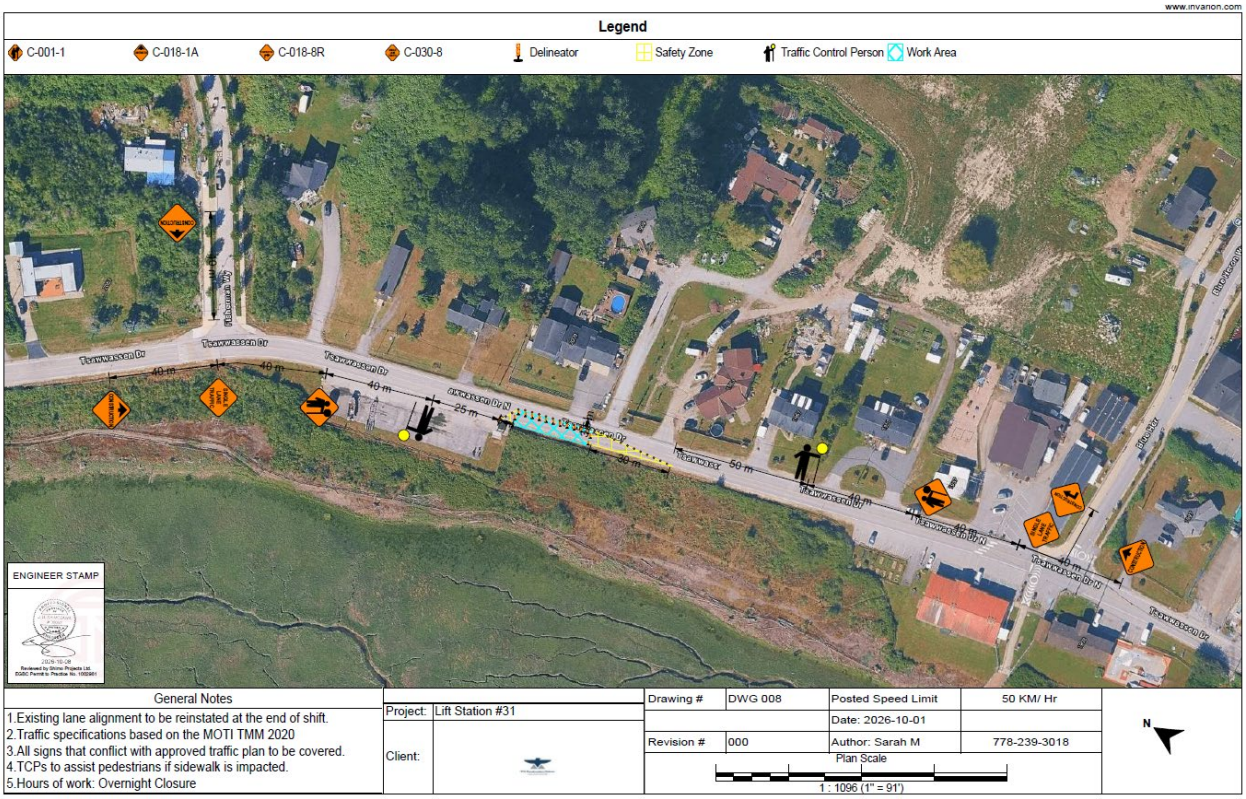

October 29, 2026

Notice of Work

To whom it may concern,

TFN Construction/Matcon Civil Constructors Inc. JV has been awarded the Tsawwassen Lift Station #31 Project located at 2043 Tsawwassen Drive North in Tsawwassen. The works will happen from August 2026 to approximately May 2027.

This letter is to inform you that TFN/MCCI JV will be doing overnight flagging of the work zone for the following nights: November 2,3,4,5. (See below Traffic Management Plan)

The work area will be on the West side of Tsawwassen Drive North. Traffic will follow the approved TMPs that will be single lane alternating traffic. As this TMP will be active overnight, appropriate flashing lights and traffic control personal will be onsite to

ensure visibility around the fenced off work zone. The work zone will be fenced off surrounding the machines that will be on the road. Traffic Management Personal will be onsite to assist any pedestrians that need to go through the area. Also any local traffic that need to access their driveways, will be assisted by Traffic Management Personal.

TFN Construction/Matcon Civil Constructors Inc. JV will endeavor to construct the project as safely and as quickly as possible with the least disruption to the residents. Residents are also reminded that the project will be constructed with heavy earthmoving machinery. Adults, young children, and pets should be kept clear of the work zones at all times.

If you have any questions or concerns, please call.

Yours truly,
Matcon Civil Constructors Inc.

David Wolshlager, Senior Manager
