Part 9 Building Permit Application Checklist

The following documentation is to be completed and submitted with the Building Permit Application for all new Part 9 buildings and additions. If hard copy drawing(s) and Registered Professional schedules are being submitted, they must be wet sealed and signed. A digital submission of all documents is required.

Building permit submissions can be emailed to **buildingpermits@tsawwassenfirstnation.com** or hard copies can be delivered to: Tsawwassen First Nation Lands Department, 1926 Tsawwassen Drive, Tsawwassen BC V4M 4G2.

Once a building permit submission has been received and processed, the Applicant will be sent a Fee Slip for related building permit fees and deposit.

Acknowledgements of Land Holder

I acknowledge that the land holder of the land of which this permit is issued is solely responsible for carrying out the work authorized by this permit in accordance with the BC Building Code and other applicable laws respecting safety, including the requirements of the BC Building Code in relation to soil conditions for building foundations.

I acknowledge that the land holder of the land is also solely responsible for determining whether the work authorized by this permit contravenes any covenant, easement, right of way, building scheme or other restriction affecting the building site, and whether the work requires the involvement of an architect under the **Architects Act** or an engineer or geoscientist under the **Engineers and Geoscientists Act**.

I acknowledge that the Tsawwassen First Nation provides a limited monitoring service in relation to building construction and does not, by accepting or reviewing plans, inspecting construction, monitoring the inspection of construction by others, or issuing building or occupancy permits, make any representation or give any assurance that the construction authorized by this permit complies in every or any respect with the BC Building Code or any other applicable laws respecting safety.

If the Tsawwassen First Nation has so indicated on this permit, I acknowledge that the Tsawwassen First Nation has issued the permit in reliance on the certification of a registered professional, engaged by me to provide such a certification, that the plans for the work authorized by the permit comply with the BC Building Code and other applicable enactments, and that the fee for the permit has been accordingly reduced. I acknowledge that the Tsawwassen First Nation by issuing this permit or any occupancy permit, makes no representations to me or any other person as to any such compliance.
