Crisis and Grief Support Resources

Dear Members,

The loss of two beloved Elders has been deeply felt throughout our community. We recognize that Members and families are carrying grief and processing the impacts of this traumatic event. Each person's experience will be different, and support is available now and in the days ahead. Our mental health team and wider Health Services team are available to listen, provide care and help you access support.

Please call 604-948-5239 to book with any member of the Health team, receive help finding a counsellor outside our team, or discuss other support for yourself or your family. You do not need to know exactly what you need before calling.

We honour the ways Members find comfort through family, community, cultural practices and ceremony. Additional support is available whenever you wish to connect.

Crisis and grief support

KUU-US Crisis Line: Support for Indigenous people in BC.

📞 1-800-588-8717 🕒 Available 24 hours a day

Hope for Wellness Helpline: Support for Indigenous people across Canada.

📞 1-855-242-3310 🕒 Available 24 hours a day

✉️ Online chat at hopeforwellness.ca

BC Bereavement Helpline: Compassionate listening and help finding grief support.

📞 604-738-9950 (or 1-877-779-2223)

📅 Monday to Friday (excluding statutory holidays)

🕒 9:00 AM - 5:00 PM

Suicide Crisis Helpline: Support if you are thinking about suicide or worried about someone else.

📞 Call or text 988 🕒 Available 24 hours a day

For an immediate emergency, call 911.

Notice for TFN Members

St. Mary's Residential School

TFN has received information from the Stó:lō Service Agency regarding the planned demolition of the former St. Mary's Indian Residential School in Mission, BC. This notice is being shared to support Survivors and families by providing time to emotionally prepare before formal announcements or media coverage.

Survivors who attended St. Mary's and wish to receive updates may contact:

 Kaylee.bonnar@stolonation.bc.ca

Communications

Don't miss important community updates, events, deadlines, and opportunities.

Community Services

Community Wide Rodent Control Program

TFN is partnering with Go Green Pest Control to offer free rodent control services to all Members living on Lands.

Go Green will use their Integrated Pest Management (IPM) approach, which includes:

- Regular inspection and servicing of homes, including maintenance of bait stations and monitoring equipment (re-baiting, replacing, adding, removing, etc.),
- Looking for conditions that could contribute to rodent activity and providing recommendations and education, and
- Monthly electronic service reports
Equipment placement with children, pets, and non-targeted wildlife in mind.

Services will take place:

First two business days of each month

10:00 AM to 3:00 PM

By opting in, you are allowing Go Green Pest Control into your property to place traps and services them monthly.

To opt-in to this program, please fill out the form here:

<https://tsawwassenfirstnation.com/community-wide-rodent-control-program>

Policy & Intergovernmental Affairs

TFN Treaty Periodic Review

Phase 1 of the TFN Treaty Periodic Review Has Begun

Tsawwassen First Nation is beginning Phase 1 of the Periodic Review, a process built into the TFN Treaty that allows TFN, BC, and Canada to review and improve how the Treaty works over time.

This notice is for information only. No decisions are being made at this stage.

What Is the Periodic Review?

It is a regular, collaborative process that keeps the Treaty a living agreement—one that continues to reflect the needs of TFN Members today and into the future. This is not a reopening of the Treaty, and any potential updates occur through negotiation, not the courts.

Why This Matters

The Treaty remains an integral part of TFN's success, supporting strong self-government, stable governance, and long-term Nation-building. The Periodic Review is an opportunity to strengthen what is already working and make practical improvements that support TFN's future generations.

What Is Phase 1?

Phase 1 focuses on early, targeted improvements where TFN, BC, and Canada are already aligned. These discussions are preliminary and centred on clarity and good governance.

What's Next?

More information will be shared as the process unfolds, including website and social media updates, text notifications, a detailed Social Pinpoint information page, and spring engagement sessions for learning and questions.

TFN is committed to providing clear, transparent updates throughout the process.

Health Services

Looking for Support With Your Health?

The TFN Community Nursing Team is here for you.

Whether you have questions about your health, need support managing a medical condition, or would like help connecting with health services and resources, our nurses are available to assist.

Call TFN Health Services at 604-948-5239 to learn how our Community Nursing Team can support you.

Family Services

We are calling all men navigating the challenges of everyday life—to join us for a gathering. Modern Day Warriors is a space for a open circle where we will:

- Build a Brotherhood rooted in honesty, shared strength, and mutual respect.
- Explore our History by looking at stress, grief, and trauma with deep curiosity rather than judgment.
- Master our Tools by learning effective communication, emotional regulation, and relationship building.
- Reclaim our Joy by reconnecting with play, holistic health, and our vision for the future.

Drop in as your schedule, harvesting, and community responsibilities allow. Come to share, come to listen, and come to build a stronger vision for yourself and the generations to follow.

Aging at Home

Grounds Maintenance & Snow Removal Program

This program supports Tsawwassen Elders — and Members with health limitations — to live safely and comfortably at home by helping with grounds maintenance and snow removal within the TFN Community Area.

Services Included:

Grounds Maintenance

- Grass cutting
- Minor landscaping for safety and aging in place
- Delivered by TFN or by an outside provider (with reimbursement)

Snow Removal

- Provided only by TFN or TFN's contractor
- No reimbursement for private snow removal services

WHO CAN APPLY?

Elders

- TFN Members 55+ living in their primary residence on TFN Lands.
- Eligible for up to \$2,500/year in grounds maintenance support (per residence).
- Snow removal is automatically provided by TFN after 5 cm of snowfall.

Non-Elders (Exceptional Circumstances)

- Members with health limitations preventing them from doing yard work may apply.
- Must show they cannot complete the work themselves.

Not Eligible

- Major landscaping, renovations, or minor home repairs
- (these fall under other TFN programs).
- Cleaning or removal of personal items (toys, vehicles, pools, waste, animal feces).
- Any service the Director deems ineligible.

APPLICATION PROCESS

Submit a completed application form to the Director of Municipal Infrastructure.

- Applications processed first-come, first-served.
- Include:
 - Type of work needed
 - Desired frequency (if TFN provides the service)
 - Any additional info requested

Questions?

Reach out to Public Works

604.943.9492

publicworks@tsawwassenfirstnation.com

Aging at Home – Cont.

Grounds Maintenance & Snow Removal Program

Additional Info

WAITING LIST

- If the program is full, eligible applicants are placed on a waitlist.
- Applicants must respond within 10 business days when contacted.

HOW PAYMENTS WORK

Option 1: TFN-Delivered Service

- TFN or its contractor completes the work directly.
- No reimbursement for services completed by TFN.

Option 2: Reimbursement

- Applies only to grounds maintenance (not snow removal).
- Eligible for reimbursement for services completed on or after April 1, 2026.
- Must provide:
- Proof of payment
- Evidence the work was completed
- Reimbursement available for up to 2 years after service date.

Renewals

- If TFN provides your ongoing service, you do not need to reapply each year.
- Members must keep their contact information up to date and notify TFN if their circumstances change.

MEMBER RESPONSIBILITIES

- Ensure yards are free of hazards or obstacles (including dog feces) before service.
- TFN may refuse service until hazards are removed.

ECDEV – RBT2 Update

ᐃᓄᓐᓄᓐᓄᓐ,

We are pleased to share an important update regarding the Roberts Bank Terminal 2 project.

The Vancouver Fraser Port Authority has selected TerraMarine as the preferred construction partner for the landmass and wharf component of RBT2 following a competitive procurement process.

TerraMarine is a consortium comprising FlatironDragados Canada, Van Oord Canada, Aecon Constructors and Carlson Construction Group, supported by Arcadis Professional Services Canada and subconsultants Stantec Consulting, TYP SA and Tetra Tech Canada.

The project is now in the Design Early Works Agreement phase. During this collaborative development phase, TerraMarine and the port authority are advancing project design and construction planning, including logistics, work planning, costs, scheduling and early works opportunities. This phase is not the start of full project construction. The port authority intends to award a target-price design-build agreement to TerraMarine once the initial work has sufficiently advanced and following financial close.

ECDEV – RBT2 Update cont'd

TFN Member-owned businesses and Nation-affiliated businesses previously met with TerraMarine and the other shortlisted proponent teams during the virtual RBT2 business-to-business networking session held on April 22, 2026. The session was intended to support introductions, information sharing and early relationship-building before formal procurement opportunities are released.

Now that TerraMarine has been selected as the preferred construction partner, TFN businesses are encouraged to reconnect early and provide updated information about their capabilities and areas of interest. Procurement scopes and work packages are still being developed, and early outreach does not guarantee a contracting opportunity.

TFN recently postponed the planned in-person workshop with TerraMarine and the Vancouver Fraser Port Authority. The workshop is being rescheduled, and the new date will be shared once confirmed. The rescheduled session will provide TFN Member-owned businesses and Nation-affiliated businesses with an opportunity to connect with TerraMarine and the port authority in person, learn more about the developing project scopes and discuss potential areas of business alignment.

In the meantime, businesses do not need to wait for the workshop to begin early outreach. **For relationship-building and procurement inquiries, please contact:**

Troy Van Bostelen, P.Eng.

First Nations Engagement Lead, TerraMarine

✉ tvanbostelen@terramarine.ca

☎ 604-362-4768

When reaching out, businesses are encouraged to provide a company overview, relevant project experience, and the services, supplies or partnerships that may align with RBT2 work.

TFN Economic Development will continue working with the port authority and TerraMarine to support coordinated information sharing and TFN participation as procurement opportunities are developed. Further updates will be provided as scopes and engagement activities are confirmed.

Fish Distribution Help

Tsawwassen First Nation is seeking community members to assist with the fish distribution process following each fishery.

Duties may include:

- Picking up ice from the plant
- Assisting with the distribution of fish to community members
- Transporting fresh fish to the canning facility
- Picking up canned fish for community distribution

Generally the Monday following each fishery intake Honorariums will be provided for your time and assistance

If you are interested in helping, please contact:

Rachel Lau 604-968-8935

Lola Pavlovic 604-861-0772

Dionne Baker 604-690-4176

Thank you for supporting the TFN community and helping ensure food fish are distributed efficiently to Members!

Natural Resources

Coyote Safety

Recently coyotes have been seen around TFN and surrounding areas, to deter coyotes and keep everyone and their animals safe here are some tips you can use:

Eliminate attractants

Coyotes are opportunistic feeders. If your yard provides easy meals or a place to hunt, they will return.

- Secure food waste: always lock your garbage bins with secure latches or use wildlife-resistant containers.
- Pet food and water: Never leave pet food, water, or bowls outside.
- Yard management: Clear dense brush, tall grass, wood piles. These provide perfect cover for coyotes to hunt rodents.
- Clean up: Pick up fallen fruit from trees and avoid leaving grass and food scraps on BBQ grills.

Physical Barriers

To physically block coyotes from entering your yard or accessing vulnerable livestock, secure boundaries are highly effective.

- Fencing

Light and Sound (Scare Tactics)

Sudden unfamiliar surprises can frighten coyotes away from specific areas on your property

- Motion Activated Devices: Set up motion sensor flood lights.
- Noise Makers: Devices that emit high-frequency ultrasonic sounds, flashing red lights (such as Predator eye PRO nighttime Repellants), or sudden audible alarms help keep territories unstable and risky for coyotes.

Active Hazing

If a coyote wanders into your yard or approaches you while you are walking, you must assert dominance, so they associate humans with danger.

- The "BIG Routine": make yourself large or use items like an umbrella or jacket.
- Be Loud: Clap your hands, Shout, use a whistle
- While walking: Keep your dog on a short leash (under 6 Ft). If coyotes continue to approach and act aggressively, pick up your small dogs and back away slowly.

Traffic Notices

Upcoming Construction

June 15, 2026 to April 2027

TFN Construction/Matcon Civil Constructors Inc. JV will be conducting construction work for the Tsawwassen Lift Station at 2043 Tsawwassen Drive North, Tsawwassen.

June 23, 2026 to Late Fall 2026

Amrize Canada has been engaged to undertake the works for the Falcon Way Improvements project, with Phase 1 beginning June 23, 2026.

- Traffic will be maintained as single-lane alternating, with no full road closures
- Driveway Access: Intermittent interruptions during working hours; access will be restored after hours.
- On-street parking will be restricted within the active work zone.
- Advance notice will be provided prior to any work in front of individual properties.
- Garbage and recycling collection will NOT be affected.

June 15, 2026 to April 2027

- Single-lane alternating traffic on Tsawwassen Drive North, Monday to Friday from 7:00 AM to 5:00 PM
- Work zones located on both the east and west sides of Tsawwassen Drive North
- Residents are reminded to keep adults, children, and pets clear of the work zones at all times

Contact Darrell Shayler (General Superintendent) at 604-530-1402 or David Wolshlager (Senior Manager) at 604-530-1402 ext. 272

Salish Eagle Subdivision Project

Construction began August 4, 2026 and is expected to continue until January 30, 2027. Temporary traffic management measures, including single lane alternating traffic, sidewalk closures, pedestrian detours, will be in place to help ensure everyone's safety.

WATERMAIN FLUSHING

October 15 - December 15, 2026

The Fall water distribution system flushing program starts this week. Watermain flushing helps to maintain good water quality by clearing sediments that accumulate over time in the water distribution system.

More info

 October 15 - December 15, 2026

 7:30 AM - 3:30 PM, Monday to Friday

 The flushing process may temporarily cause low water pressure and/or water discolouration. If discolouration or sediment is noticed after flushing, please run the cold water tap at your bathtub for several minutes until the water clears. Any discolouration you may see does NOT pose a health hazard and this water is safe to drink.

How to Sign up for Emergency Support Services

**ACCESS TO
GOVERNMENT SERVICES
MADE EASY**

Service BC & Emergency Support Services

Service BC has partnered with the Ministry of Emergency Management and Climate Readiness (EMCR) to support local Emergency Support Services (ESS) in reception centres during emergencies.

We are dedicated to delivering services to the public.

Service BC can assist at reception centres with:

BC Services Card Verification

We help evacuees register and verify their BC Services Card App for access to e-transfers.

Help Evacuees to Create ERA Profiles

Our team helps evacuees create ERA profiles to help them receive emergency support.

Support with Internet Access

Our teams can provide help with technology to enable internet connectivity for profile verification.

Support for Evacuations

- ✓ During large-scale evacuations, we enhance our capacity to provide prompt and efficient support.
- ✓ Provide reliable internet at reception centres.
- ✓ Provide resources and supports for in-person reception centres.

Support for Communities

Here's how communities can request Service BC support:

1. Recognize the need.
2. Submit a resource request through your local Emergency Operations Centre (EOC) to Provincial Regional Emergency Operations Centre (PREOC).

ServiceBC

Lands & Municipal Services

Help Shape the Traditional Medicines Plan

Help support the restoration of traditional medicines for TFN by completing the 2nd part of the *Traditional Medicines Plan Survey*.

The **Traditional Medicines Plan** will support community health, wellness, and health sovereignty for our Nation through land-based healing.

Submit completed **online or paper surveys** for a chance to **win a prize!** *Paper copies are available at the Lands office.*
