TSAWWASSEN FIRST NATION

Affiliated Businesses

TFN Economic Development is affiliated with several entities through various relationship agreements. This directory is current as of September 25, 2026. For the most up-to-date list of affiliated businesses, please visit our website: **www.tsawwassenfirstnation.com**

Some listed companies may submit bids independently without TFN participation. We are happy to provide a letter confirming TFN's involvement in a specific bid, upon request. A TFN endorsement letter confirms TFN's support for that bid and whether it meets the applicable Indigenous procurement requirements established by TFN and the project owner.

Contact Us

If you have questions about the businesses listed in this directory or would like to enquire about a potential partnership, please contact Economic Development at 604-219-3683 or email businessservices@tsawwassenfirstnation.com.
